

Global Modules

Please do not click this icons.

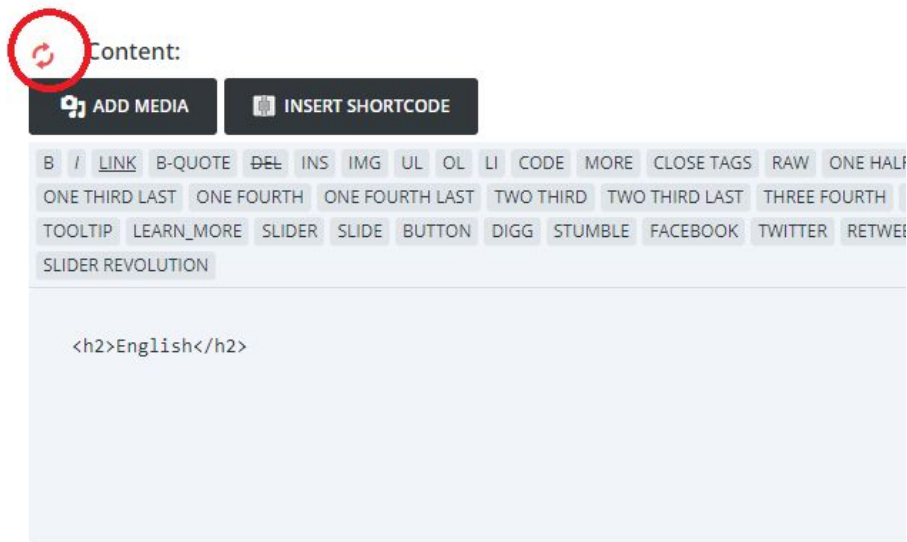

If they are red that means the content can be edited.

If it is green it means that is a global settings.

What it means is if you change the content of those that are on green then all of the pages that uses this module will be updated. Please make sure you only update those part that have the red icon.

And do not attempt to click this or make them green.

They are setup this way so you can easily add content without doing any setups on every module.
