

Scholarship Application 2019

Founded in 1997, the mission of the Azorean Maritime Heritage Society is to promote Azorean culture and whaling heritage by raising awareness and pride in our community. This rich maritime heritage has been shared on both sides of the Atlantic between the Azores and the Greater New Bedford area for more than 150 years.

The AMHS has designated five scholarships to be awarded to high school seniors or first time freshman applicants who will be enrolled in an undergraduate college program during the next academic year.

A sixth scholarship for \$1,000 is to be awarded to a student who will be attending the Northeast Maritime Institute to pursue a 2-year degree in applied nautical science.

The Pico Scholarship: \$1,000
