

Eligibility

Applications will be accepted from all active SkillsUSA Massachusetts high school division members maintaining a 3.0 grade point average or higher and continuing their education at an accredited college or post secondary program. Applicants must demonstrate a high level of academic achievement, have established specific education and career goals, and have a desire to give back to SkillsUSA after graduation.

How to Apply

The application must be completed along with the following required attachments:

1. Resume
2. Two letters of recommendation (from any of the following individuals: instructor, SkillsUSA Advisor, administrator)
3. Proof of grade point average (3.0 or higher)
4. A separate essay with answers to the following questions:
 - a. What is your participation in SkillsUSA and how it has made an impact on you?
 - b. What are your post-secondary plans and goals and how does SkillsUSA play a part in those?
 - c. How do you plan to "give back" to SkillsUSA after graduation?
