

YAWKEY

SCHOLARS PROGRAM

YAWKEY FOUNDATION SCHOLARSHIP OPPORTUNITY

December 5, 2019

The Yawkey Foundations are committed to continuing the legacy of Tom and Jean Yawkey by making significant and positive impacts on the quality of life of children, families, and the underserved in the areas the Yawkeys called home, New England and Georgetown County, South Carolina.

Education was an area of particular concern for Tom and Jean Yawkey. They understood its ability to alter the course of young lives. In honor of the Yawkeys' commitment to education, in 2005 the Yawkey Foundation Board of Trustees established the Yawkey Scholars Program to help talented and motivated disadvantaged young people meet the rising costs of undergraduate education. Since 2005, the Yawkey Scholars Program has provided more than \$13 million in scholarship support to 343 Scholars as they pursue a college education.

The Yawkey Scholars Program invites you to help us find promising students for a scholarship opportunity for graduating high school students **entering private, competitive colleges in Massachusetts in the fall of 2020**. A copy of the Yawkey Scholars Program guidelines is enclosed.

Many students are deserving of this type of support during college, but this program seeks to support and encourage students:

- 1) Who have a **strong academic record**, or demonstration of significant improvement over time
- 2) Who are planning to attend a **competitive private college in Massachusetts**
- 3) Who are engaged in a meaningful **mentoring relationship**
- 4) Who have **unmet financial need** and would benefit from scholarship support so that they can graduate with a manageable loan burden

We invite you to **share the Yawkey Scholars Program guidelines with students who will be entering college in the fall of 2020 and who meet this program's criteria**. Applications will be processed online – hard copies will not be accepted. For more information and application instructions, go to:

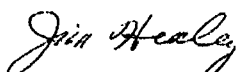

<http://www.tpi.org/scholarship/yawkey-scholars-program>

Applications must be completed online by Friday, February 14, 2020 at noon.

The Yawkey Scholars Program is administered by The Philanthropic Initiative (TPI). Please direct any questions to Elaine Pena at 617-338-5897 or yawkey@tpi.org.

Thank you in advance for your help.

Sincerely,

James P. Healey
