April 5, 2020

Dear Class of 2020 students, parents and guardians:

As you are aware, Greater New Bedford Voc-Tech will be closed until at least May 4, 2020. Due to the unprecedented circumstances we are facing at this time, I have made some adjustments to the career portfolio requirements for the senior class.

**Seniors will have their Graduation Requirement for Career Portfolio *waived* this year.**

While the graduation requirement is waived for all seniors, we still encouraged you to complete your career portfolio for their own future uses. The student portfolio is a valuable and professional document, and if kept updated, can serve you far into the future beyond graduation. Often, students use their career portfolio on job interviews, scholarship applications, and other educational advancement.

Also, the eighty seniors that submitted their portfolios for the contest back in February have been scored and we will still be selecting winners at a later date. We will make arrangements to return these portfolios to the seniors after we return to school.

Any questions on the Career Portfolio Project, please don't hesitate to contact me by email at: [sue.demers@gnbvt.edu](mailto:sue.demers@gnbvt.edu).

Sincerely,

A handwritten signature in black ink that reads 'Sue Demers' with a long, sweeping underline.

Sue Demers  
Career Portfolio Project Chairperson
