Preparation • Passion • Perseverance

June 24, 2020

Good afternoon GNBVT families,

We hope this letter finds all safe, healthy and are enjoying the beginning of your summer. We wanted to send out an update regarding upcoming summer school, summer assignments and incoming freshman testing.

Summer school

We will be holding summer school this year. Summer school will be completely remote therefore requiring the student to have access to a computer, laptop or chromebook. Summer school will run from Monday, July 13th through Friday, August 7th. If you are required or recommended to take summer school you will receive an email by this Saturday, June 27th with the required and/or recommended courses and a link to the Google registration form. As a reminder, registration will close on Monday, July 6th. We urge you to check your inbox and spam folders for this information accordingly. If you have any questions, please email: summer@gnbvt.edu.

Summer assignments

Summer assignments will be emailed to students by 3:00 p.m. on Monday, July 6th. These assignments are in Literacy and mathematics. All students are expected to complete their summer assignments and are due on the first day of school.

Incoming freshman testing

Incoming freshman testing will be held the week of July 13th. A survey was sent out to all incoming freshman parents/guardians with a link to a survey regarding technology and ability to take the placement exam remotely. There are still many parents/guardians who have not yet responded. If you have not yet completed the survey, please do so as soon as possible using this link: [Freshman Placement Exam- Technology](#).

In closing, we wanted to share with you that the district is planning for school in the Fall consistent with the Governor/Commissioner guidance released today. We understand that this has been a very challenging time for many and rest assured that we are doing everything possible to ensure a safe return to school.

Sincerely,
