Preparation • Passion • Perseverance

September 28, 2020

Good afternoon GNBVT families,

As we begin another week, we would like to compliment all students and families for their hard work - both in following all safety protocols at school as well as adjusting to a learning format that looks very different from past educational experiences.

A reminder that the school day begins at 7:30 a.m. and ends at 2:31 p.m.

Students on Campus this Week (September 28th - October 2nd)

Cycle 2 Completes on Thursday, October 1st

All Division 1 Freshman students complete their CVTE rotation for cycle 2 on Thursday, October 1st and return to remote academics on Friday, October 2nd.

All Division 1 **GREEN** Cohort sophomores, juniors, and seniors complete their in-person CVTE rotation for cycle 2, today, Monday, September 28 and will complete their remote assignments from their CVTE shop area through Thursday, October 1st. **GOLD** Cohort sophomores, juniors, and seniors complete remote CVTE assignments today, Monday, September 28th and report for in-person CVTE instruction Tuesday, September 29 through Thursday, October 1st.

All Division 2 students in academics complete all academic classes remotely through Thursday, October 1st.

Cycle 3 begins on Friday, October 2nd

All Division 2 freshman students report for their CVTE exploratory program on Friday, October 2nd.

All Division 2 **GREEN** Cohort sophomores, juniors, and seniors begin their in-person CVTE rotation on Friday, October 2nd. **GOLD** Cohort sophomores, juniors, and seniors begin their remote CVTE assignments on Friday, October 2nd.

All Division 1 students in academics begin classes remotely on Friday, October 2nd.

Remote Learning and Student Expectations

We really appreciate students' active participation in the learning process during the first days of school, both in-person and especially during remote classrooms. Students are reminded of the [District Expectations SY 2020-2021](#), and are thanked for their efforts during the first days of school.

IMPORTANT:

Students are reminded that their camera and microphone must be on during remote sessions, complete all assignments, check emails from teachers for attendance requirements during support sessions, and request any support they need to meet with success in all of their classes. Students are expected to be present for the entire class periods. We know this is challenging for all and we are here to help.

We must remind students given circumstances that have already appeared in other districts, that we will strictly prohibit screenshots, pictures and/or any audio or video recording of any teachers and/or classmates. It is illegal in Massachusetts to record another person through any medium without their consent. Recordings, as well as any other form of online bullying or harassment will be handled as a discipline matter and may result in suspension, expulsion and could include police involvement.

Finally, we expect students who must be quarantined (due to being a close contact or travel out of state) to complete the work assigned to them in all of their classes. If you have any questions regarding assignments for missed in-person shop time, please contact the shop teacher. We believe that this will keep students current in their work completion. Freshman students who will miss Exploratory time should contact Mr. Pimental (robert.pimental@gnbvt.edu) to discuss the situation.

If a student tests positive for COVID-19 and is unable to complete their work due to symptoms, please contact their Guidance Counselor to develop a plan for work completion. If additional time is required on top of the district's make-up policy, the Guidance Counselor will determine the plan and inform the student's teachers.

Student Support Sessions during Remote Academics

Students may be required to attend the asynchronous (independent support sessions in the afternoons during their remote academic days. Mandated attendance is at the discretion of teachers. Teachers are monitoring student progress towards learning objectives and identifying students who are struggling with grade level concepts/ not submitting assignments that meet competency standards. Those students will be required to attend sessions and will receive notifications to their school emails. Parents/Guardians should be regularly checking the Aspen portal for updated grades and can also email teachers requesting support for their child(ren) should concerns exist.

School Forms & Informational Items

Later this week, we will be sending out via school messenger, school forms to be completed for your student through the ASPEN portal. Informational items such as annual letters, parking lot/school drop-off map, school

lunches and accident insurance will be posted to the school's website. You may see all those forms here: [2020-2021 Informational items for families](#).

Important Reminders from Previous Newsletters:

Health and Safety

We are asking our students to stay home if they are ill. This will help to minimize the incident rates of the common cold, flu and COVID-19. If your student is experiencing any of the following, please keep them home and inform the GNBVT Nurses Office at Ext. 204 or 205:

- Fever 100 and over or chills/shaking chills
- Cough (not due to other known cause, such as chronic cough)
- Difficulty breathing
- New loss of smell or taste
- Sore throat
- Headache *when in combination w/other symptoms*
- Muscle aches or body aches
- Nausea, vomiting, diarrhea
- Fatigue *when in combination w/other symptoms*
- Nasal congestion/runny nose (not due to other known causes/allergies) *when in combination w/other symptoms*

If your child is exhibiting any of the above symptoms please keep your child home and call your physician. You will be required to provide medical documentation upon the return to school.

Your student may return to school when the following are true:

- Your medical provider has determined a different illness than COVID-19 and cleared student to return (medical note must be provided to school), OR
- Your student has negative test results for COVID-19, no symptoms **AND** a note from their medical provider

PLEASE NOTE: If you should be notified that you are COVID positive or have been a close contact of a COVID positive individual please contact your physician and notify the school nurse promptly. Our School Nurses will work with you to determine dates if it is appropriate for a student to return to school.

EpiPen: If your student has a Life-Threatening Allergy and requires an EpiPen please notify the nurse if you have not received paperwork to complete. Students may bring in their EpiPen's to school and provide one to the nurse and the other to be kept in their backpack.

Over the Counter Medications can be brought to school in a sealed bottle along with a Medical Doctor's order. You will need to sign a Parental Consent form (from the school nurse) and return it to the nurse.

Inhalers: Students may bring their inhaler to school and keep it in their backpack. Parents/guardians need to obtain a medication order as well as sign a Parental Consent Form and provide to the nurse.

Updated Physicals: We ask that you provide a recent physical if you have not provided to the school nurse. Please include an immunization record of recent/future vaccines administered for this school year.

Locked Drop Box: There is a locked drop box for any student who wishes to drop off paperwork not requiring the immediate attention of the nurse.

Meningococcal Vaccination: For the 2020-2021 school year, the Massachusetts Department of Public Health is requiring proof of meningococcal vaccination for students entering Grade 11. According to this new regulation, all students should receive a booster on or after their 16th birthday. We ask that you provide proof of this immunization by submitting an updated immunization record prior to returning to school in the fall or once your child has turned 16 years old (during the school year). Please submit the required proof by attention to the school nurse.

FLU Vaccination: All students in Massachusetts are expected to have the flu vaccine by December 31, 2020. Please provide documentation from your child's physician to the school nurse by the deadline. We thank you in advance for helping us maintain compliance with these new Department of Public Health mandates.

Student Travel to High Risk States: All students and families are reminded that travel outside of Massachusetts to states deemed "High Risk" by the Commonwealth of Massachusetts requires a 14-day quarantine or negative COVID-19 test that was administered up to 72-hours prior to your arrival to Massachusetts. Proof of COVID-19 test results must be provided to the school's Attendance Office.

Parent/Guardian Visits to GNBVT

Due to the enhanced safety and wellness measures we have put into place, we ask parents/guardians to first use email and phone calls to communicate with our staff. If a meeting is needed, our staff will set-up a virtual meeting with you. At this time, we will not be allowing parents/guardians into the school, unless it is an emergency. Please note you will not be granted access to the school if you do not have a scheduled appointment with staff prior.

Technology

Any student in need of a Chromebook or Hotspot should call (508) 998-3321 ext. 383. Please email aspen@gnbvt.edu for *ASPEN related issues only*. If a student is unable to login to a Chromebook/Google or needs a password reset, please email technology@gnbvt.edu or call (508) 998-3321 ext. 383. If leaving a voicemail, please be sure to include your student's name, ID and reason for calling.

Possip Parent Survey

A reminder to all parents that the district will be sending out a bi-weekly survey, on Fridays from Possip as a means to engage in productive, meaningful two-way communication with families. Please take a minute to complete the survey. The administration will answer the most frequently asked questions each week and try to address the concerns of all GNBVT stakeholders. Please tell us what we're doing well and how we can improve!

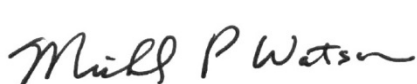

School Breakfast and Lunch Program

Finally, families should note that if finances have been impacted by the current COVID-19 healthcare crisis, you do have the ability to apply for assistance (SNAP) through the State of Massachusetts. Please visit <https://dtaconnect.eohhs.mass.gov/> to apply for SNAP benefits or <https://www.myschoolapps.com> to complete the application for free or reduced pricing of school provided breakfast and lunches. If you have already been notified of your status from direct certification, an application does not need to be completed.

For cash-free transactions, families can establish an account with your student's ID number to put money on their account to scan their ID at checkout by using www.myschoolbucks.com

Please remember that we are here to assist you and your child in their education. We look forward to welcoming back our students both in the hybrid and remote environments.

Sincerely,

Michael P. Watson
Academic Principal

Robert J. Watt
CVTE Principal

Greater New Bedford Regional Vocational Technical High School is committed to ensuring equal opportunities for all students. The school does not discriminate on the basis of race, color, national origin, sex, disability, religion, sexual orientation, gender identity, age, homelessness, immigration status or veteran status in its education programs and activities, including admission to or employment in such programs or activities.

Vocational/Technical **Remote** Learning Days

[illegible]

Day/Period Schedule

[illegible]

GREATER NEW BEDFORD REGIONAL VOCATIONAL TECHNICAL HIGH SCHOOL

DISTRICT EXPECTATIONS SY 2020-2021

The school day is 7:30 a.m.- 2:31 p.m. School will look very different at the outset of the 2020-2021 school year than we have experienced ever before.

The pandemic has challenged all of us, and while this is a time of uncertainty, we will persevere through this challenge as we have through so many before this. Below is a short listing of school expectations for both in-person and remote learning.

In-Person Days/At School Expectations	Remote Days/At Home Expectations
Attendance will be taken in every class and reported to the Department of Elementary and Secondary Education. Students will enter the school building and go directly to their shop areas during Phase I of the Reopening Plan.	Attendance will be taken in every class and reported to the Department of Elementary and Secondary Education. Students must attend ALL live classes via Chromebook or other device. Students must be on time and complete assignments as directed by the teacher. Daily attendance for academics will be taken at 8:30 a.m. and daily attendance for vocational technical remote learning will be taken at 8:00 a.m.
Social Distancing will be practiced and must be adhered to at all times following state health guidelines for schools.	All devices used for remote learning, must have a working camera and microphone. Both must be turned on at all times during classes. Teachers may ask you to mute accordingly.
Masks must be properly worn (covering nose and mouth) at all times in the school building. Mask Breaks will be provided as directed by staff.	Students must dress, act and speak appropriately for all classes and be in compliance with all school guidelines outlined in the student handbook.
Movement throughout the school building will be limited to ensure students remain in their designated area(s) during much of the day as possible.	Check school email/google classroom hourly during school day (7:30 a.m.- 2:31 p.m.) for teacher updates/emails about assignments and support sessions.
Be mindful of other people in your spaces. To reduce the spread of COVID-19 maintain appropriate distancing and follow all safety precautions outlined in the reopening plan.	Snacking/Eating should not occur during the class period. Fifteen minutes have been built into the schedule in between classes to allow for student snack or bathroom breaks.
Students should make sure they are sanitizing/washing their hands throughout the school day. The school recommends students wash their hands upon entry to the school in the morning, frequently during the day and before dismissal.	Be prepared to take notes, participate fully in the classroom, pay attention and ensure you understand the expectations for each class period.
Students riding the bus to school must adhere to the guidelines written in the reopening plan and follow the directions of the bus driver. Inappropriate behavior on the school bus will not be tolerated and transportation privileges may be suspended.	Students are encouraged to ask questions of their teachers but reminded to carefully choose their words and be respectful to all in the virtual classroom environment.

Dear Parent/Guardian:

The enclosed brochure explains the ***SCHOOL-TIME COVERAGE*** which the Greater New Bedford Regional Vocational Technical High School has purchased for all students enrolled as of the first day of school. **This coverage is only for school related activities and supervised travel to and from school. This insurance supplements but does not take the place of your personal insurance coverage.** It is designed to cover those expenses not covered by other insurance the student might be insured under, not to duplicate benefits from such other insurance. **Should a student have an accident, claim forms will be sent to the student's home by mail. Forms should be filled out and mailed to:**

**Bob McCloskey Insurance
P.O. Box 511
Matawan, New Jersey 07747 (within 90 days of the accident)**

Any bills received by the parent should be forwarded to the above agency and not to the school.

The brochure also offers coverage that provides benefits for all accidents during a twelve-month period, 24-hours a day wherever they occur, thus ensuring the student is adequately covered at all times. I urge you to read this brochure, remember, the school district will **provide the school-time coverage**. If you decide to purchase the 24-hour coverage, please fill out the enrollment application and mail it directly to **Bob McClosky Insurance**.

The Greater New Bedford Regional Vocational Technical High School, through its School Committee and its employees, in selecting an insurer to offer this coverage, does not mean to restrict your choice in selecting any other insurer. The District does not benefit from such selection and does not warrant or guarantee the solvency of any insurer.

Sincerely,

James O'Brien
Superintendent-Director

Accident Insurance Protection for Students

Parents and Guardians: Do you have adequate insurance coverage for your child in the event of an unforeseen accident?

Bob McCloskey Insurance has got you covered!

Depending on which program your child's school offers, you may be able to purchase one or more of the following insurance products on a voluntary basis...

- ✓ \$500,000 At School Student Accident Coverage
- ✓ \$500,000 Around the Clock - 24 Hour Accident Coverage
- ✓ \$50,000 Student Accident Dental Coverage

...with relative ease from any computer or iPad via the following online address:

www.bobmccloskey.com

Just follow the instructions and you can accomplish the process in minutes. And, should you have any questions, you can call

1-800-445-3126

and a representative will be happy to assist you with the process or any questions.

Bob McCloskey Insurance
P.O. Box 511 Matawan, NJ 07747
www.bobmccloskey.com

**Got You
Covered**

Dear Parent/Guardians,

Welcome to Greater New Bedford Regional Vocational Technical High School!

There are a few new policies in our student handbook that you will need to become familiar with. Please take a few minutes to review the Dismissal Policy and the Tardy/Detention Policy in the student handbook.

The Attendance Department does not allow phone call dismissals barring a serious family emergency. Please understand this is for the safety of all our students and staff. For dismissals a permission note from a parent/guardian will need to be dropped off to the Attendance Office by your child before school in the morning, the note should include the student's name ID #, your telephone number and indicate if the student is a self-driver. If your child is a self-driver we will call you to verify you wrote the note. If you are coming in to pick up your child you will need to show Identification, if you are sending another family member or friend to pick up your child, they must be listed on the 10A Emergency form so please make sure your emergency information is updated. If you do not send a dismissal note in the morning and need to pick up your child just report into the school with your identification and we will call your child down to the Welcome Center.

Tardy/Detentions have now been centralized and are held after school in the Cafeteria Extension Monday through Thursday from 2:31-4:00 p.m. and late bus transportation is provided. Please remind your child that all tardy/detentions must be served within a (2) day period unless there is a valid excuse for missing the detention. For more detailed information please refer to the student handbook.

I look forward to meeting you and working with your child over the coming school year. If you have any questions or concerns, please do not hesitate to call my office. (508) 998-3321.

Respectfully,

Shannon Nobrega

Supervisor of Attendance

Preparation • Passion • Perseverance

Dear Parent / Guardian:

As a parent/guardian of a Greater New Bedford Voc-Tech student, you play a crucial role in fostering a healthy learning environment at the school. We are excited about partnering with you to help your child succeed.

What can you do to help? First, tell your child that you expect him/her to work hard each day. Sending your child to school, every day, and on time is the first step to ensuring that they will have a productive learning experience. Secondly, please read the *Student Handbook* to become familiar with the school, its programs, and its disciplinary code. Greater New Bedford Regional Vocational Technical High School prides itself on creating a safe, secure, rigorous learning environment. We will not tolerate a lack of respect or tolerance for others. Proper behavior is expected of all students at all times.

Every parent must understand that while cell phones are a primary means of electronic communication, using a cell phone during the school day is not permitted. Our students have the privilege of possessing a portable communication device; however, use of their device is only permitted outside the school building before and after the instructional day.

Every year, a number of Greater New Bedford Voc-Tech students lose their chance to continue attending our school because of failing grades, lack of effort, safety concerns, disciplinary action, and/or attendance problems. While we do not treat such decisions lightly, we want you to know that we will not hesitate to discipline, or remove from school, any student whose behavior is disruptive to the learning environment. We owe that to the school and to its hard-working students, teachers, and staff.

We know that parents may not always agree with the discipline measures taken when a student violates a school rule, but our goal is to *educate* students. This includes educating them about discipline and the consequences they face when they decide to break the rules.

Over the years, Greater New Bedford Voc-Tech has built a reputation for providing a positive atmosphere in which students can excel. We are continually working to make the learning environment at our school even better. As we do so, we will be looking for your understanding, cooperation, and support.

We thank you, in advance, for your support and look forward to partnering with you in the education of your child.

August 2020

Re: Parking Permits

Dear Parent/Guardian,

As you may know, it is required that your child must have a parking permit to use the school parking lot. As stated in the 2020-2021 Student Handbook: *Parking on school property is a privilege, not a right. This privilege is limited to students with a parking permit. Students without a parking permit may not park on school grounds except on weekends, during school vacations, or when attending evening functions.* Students that have a parking permit may park in white lined parking spots. Students will only be allowed to park in the yellow lined parking spots after 2:30 p.m., as these parking spots are reserved for teachers and staff.

The parking permit must be visible, and placed in the middle of the windshield, behind the rearview mirror. Parking permits will be strictly enforced for the 2020-2021 school year. Students will have until September 11, 2020 to park in the parking lot without a parking permit. After that, they will be told to park off campus until they get a parking permit. Students will be able to attain a parking permit **free of charge**, which can be picked up at the Security Office with Stacey Martin.

If you have any questions, please contact Stacey Martin at 508-998-3321 ext.286

Sincerely,

Robert Pimental
Assistant Principal

Jeffrey Caron
Assistant Principal

Message from Assistant Principal Caron's Office

Dear Parents and Guardians,

Morning Drop-off:

- All parents dropping off their child must drop them off in the “horseshoe” in front of the building and NEVER IN THE PARKING LOT.
- Follow all signs.

Pick-up:

- Entry into driveway for student pick-up is not allowed between 2:00-2:45p.m. unless you are dismissing a student. Pick up in the rear of the school is not allowed.
- All pick-ups must be done on Ashley Blvd.

Bussing:

- Bus routes are final and bus stops will not be added to bus routes.
- If your child has a disability, and requires accommodations, please call Dr. Larkin at ext. 790.
- Once students are issued an ID, they must wear it onto the bus to gain access.
- Once a student has an established bus stop, they will not be able to ride on another bus unless they bring a parent/guardian note or a parent/guardian call is made to confirm the bus change with Mrs. Martin (Security Dept. Administrative Assistant).

Jeffrey Caron

Assistant Principal of grades 11-12

Dear Parent/Guardian:

A comprehensive health education curriculum has been developed by our professional staff under the guidance of the Greater New Bedford Regional Vocational Technical High School Advisory Council. The overall goal of the program is to continue efforts begun in earlier grades to promote the health and the well-being of our students and to help them make wise and informed decisions during their teenage years and beyond.

Sex education is part of the health education curriculum in grade 9, including topics such as puberty; dating; relationships and communication skills; responsibilities of human sexuality; pregnancy; prevention of HIV+/AIDS and other sexually transmitted diseases; prevention of sexual abuse and dating violence; and other human sexuality issues. The instructional materials we use for these courses include up-to-date materials from Responsible Attitudes about Pregnancy Prevention and Parenting (RAPPP) which is a program provided by the SouthCoast Hospital Systems. If you would like to review any of these materials at the school, you are welcome to do so. Please call Ryan Methia, Coordinator of Health and Physical Education, to arrange a convenient time at (508) 998-3321, ext. 293.

During this course, students will be able to ask questions which will be answered factually and in an age-appropriate manner. Each student's privacy will be respected and no one will be put on the spot to ask or answer questions or reveal personal information. Material will be presented in a balanced, factual way that makes clear that people may have strong religious and moral beliefs about issues such as birth control and abortion, and that these beliefs must be respected.

Under the Massachusetts Law and School Committee Policy, you may exempt your child from any portion of the curriculum that primarily involves human sexual education or human sexuality issues. To receive an exemption, simply send me a letter at least three (3) days before the scheduled lesson(s) requesting an exemption for your son/daughter. No student who is exempted from this portion of the curriculum will be penalized. We may provide an alternative assignment to students including, but not restricted to, written, oral, or physical activities based on the school's ability to provide adequate supervision to students exempted.

We look forward to working with you to ensure that your child has a positive and educationally enriching experience during his/her school year. If you have any questions about sex education or any other matter concerning your child's education, please call me.

Sincerely,

A handwritten signature in cursive script that reads "Michael P. Watson".

Michael P. Watson
