Academic Support

Our students will have the opportunity to attend our virtual academic support program which will run on Tuesdays and Thursdays from 3:30 p.m. to 4:30 p.m. beginning today through February 11th. These support sessions will allow students to meet with a teacher for any homework and/or tutoring assistance they may need. Please see attached flyer and should you have any questions, please email Sarah Blanchette, Academic Support Coordinator at:

sarah.blanchette@gnbvt.edu

FROM OUR NURSES' OFFICE

Please stay home if you are sick!

We are asking our students to stay home if they are ill. This will help to minimize the incident rates of the common cold, flu and COVID-19. If your student is experiencing any of the following, please keep them home and inform the GNBVT Nurses Office at Ext. 204 or 205.

Please note:

If you should be notified that you are COVID positive or have been a close contact of a COVID positive individual, please contact your physician and notify the school nurse promptly. Our school nurses will work with you to determine dates if it is appropriate for a student to return to school.

Important to note:

Massachusetts Department of Public Health (DPH) has removed the requirement for the flu vaccination. While it is not required at this time, we highly recommend students get the vaccine.

REMOTE LEARNING EXPECTATIONS 2020-2021

Students are reminded that they must be in every class. Students must have their cameras on and participate in each class session with their teachers and classmates. Missing the class period but submitting classwork is not permitted. School Attendance is mandatory and reported to the Department of Elementary and Secondary Education, regardless of whether the class is held in-person or remotely. It must accurately reflect student learning experiences.

Unexcused absences for live (synchronous) remote sessions will reflect negatively on students' synchronous learning assignment grades. Beginning in Trimester 2, students who do not attend a synchronous, live class and have their absence noted as unexcused will have their grades for submitted assignments penalized.

Submitted assignments from synchronous class periods where students have unexcused absences will be given a maximum grade of 50. This is to ensure that students attend all remote classes (as if the class was held in-person) OR have a documented absence that would allow them to make up any missing work. Students will not be penalized for making up missed assignments due to excused absences/illnesses. Remote "live" classes are to be treated the same as our in-person classes.
