Family Survey Link (click here)

The Department of Elementary and Secondary Education (DESE) has made changes to the Student Learning Time regulations. Hybrid and remote models will no longer count toward meeting the required Student Learning Time hours. As such, Greater New Bedford Regional Vocation Technical High School will be transitioning to a full in-person model of education as soon as guidance for High Schools has been released by the DESE. While the date for high school is still being determined, we must remain ready as a community to shift back to full in-person learning. We ask that you kindly fill-out the survey for each student using the link above.
