Senior Information

The Class of 2021 Yearbook is finished and has been sent to Josten's for printing! We are happy to announce that a "16 Page Supplement" will be issued to every graduating senior. That means at some point over the summer, graduates will receive an additional 16 pages to add to their yearbook. The photos in these pages will include the Fall 2 and Spring Sports as well as graduation and other senior events.

It is not too late to order your yearbook! You can go to Josten's at...
