Dear Mr. Haggerty,

Per your request, I am verifying that at no time will the high school student participating in the cooperative education / placement program at _____ be placed in a situation whereby he/she is in “direct and unmonitored” contact with any individual. I understand this is a requirement in response to the Massachusetts Legislative Act 385 of the Acts of 2002, An Act Further Protecting Children. I also understand that if “direct and unmonitored” contact with an individual is established within this environment, a background check by the school will be completed prior to the beginning of the contact.
