Vocational High School  
1121 Ashley Blvd.  
New Bedford, MA 02745

Dear Mrs. Stacey De Almeida,

On October 1, 2021, the Auxiliaries of Charlton Memorial and St. Luke's Hospital and the Tobey Hospital Guild united to form the new "Southcoast Health Ambassadors". The Auxiliaries and Guild of Southcoast were the last stand-alone organizations affiliated with the health system since the merger on June 9, 1996, twenty-five years ago. And today, the mission of the Southcoast Health Ambassadors is and remains consistent with that of the Auxiliaries and Guild which is: "to promote the health and welfare of the communities we serve".

The Southcoast Health Ambassadors is offering five \$1,000.00 scholarships to high-ranking senior students furthering their education in healthcare (healthcare is defined as any area related to the medical field). Letters, identical to this one, have been sent to other schools in the area. Please inform your students, who are entering the healthcare field and meet the criteria mentioned above of this opportunity. Please have the students complete the attached form and return, with necessary documents, by March 1, 2022 to:

Please mail to:  
Southcoast Health Ambassadors  
Joanne Sleep  
363 Highland Avenue  
Fall River, MA 02720

The scholarship committee will review each application, notify all students and interview the final candidates. Candidates will be notified of the scholarship committee's decision by mail. The presentation of the \$1,000.00 scholarships will be made at the Ambassadors Spring/Scholarship Luncheon.) Please refer any questions to Joanne Sleep at 508-973-7537.

Thank you,

*Marcia W. Liggin*
